

September 4, 2012

To our valued customers:

Laird Technologies is announcing the end of life of the following products:

Part	Description
SDC-MCF10AG-S	MCF10AG miniature compact flash module
SDC-MSD10AG-S	MSD10AG pluggable SDIO module
SDC-CF10AG-S	CF10AG compact flash module
SDC-PC10AG-S	PC10AG PCMCIA module
SDC-PC2CF30	PC2CF30 adapter
SDC-EC15N	EC15N 802.11a/b/g/n ExpressCard
SDC-CF22G-S	CF22G 802.11b/g compact flash card
SDC-PC22G-S	PC22G 802.11b/g PCMCIA card
SDC-CF22AG-S	CF22AG 802.11a/b/g compact flash card
SDC-PC22AG-S	PC22AG 802.11a/b/g PCMCIA card

Due to an inability to source critical components from suppliers, we no longer can produce these products.

Due to an exhausted inventory of the MCF10AG module and the MSD10AG module, we are unable to offer a last-time buy (LTB) opportunity for these products.

For all other products listed above, we are offering an LTB opportunity. Your LTB purchase order is a non-cancellable, non-returnable purchase order that must be placed by 15 December 2012. All units purchased on your LTB purchase order must be received by 15 June 2013.

We apologize for any inconvenience that this may cause you. If you have any questions, please call your normal sales representative or one of our regional contact numbers below.

Sincerely,

Chris Bolinger
